New Winter Home!

This winter AWeSOME will have a warm place for students and instructors to stay when they are not skiing. Brundage is letting AWeSOME use the "A" Frame building (formerly located by the Centennial Chair Lift) as a place for a ski office. The building will be located next to the Ski Patrol/Day Care building. In addition, Brundage is setting aside accessible parking for AWeSOME students.

A Summer Home?

AWeSOMe may have a summer home soon. (Cross your fingers!) Camp McCall, a United Methodist Camp on Bear Basin Road is interested in allowing AWeSOMe to set-up summer camps on their 40-acre camp site. The site has three buildings, but has not been used for many years.

2006 AWeSOMe's Second Annual Payette Lake

CARDBOARD BOAT REGATTA

along the buoys at Legacy Beach was the McCall Fire Department. The team was crowned the "2006 Payette Lake Cardboard Boat Champion." The team consisted of members of the McCall Fire and EMS.

The winner of the "Pride of Sharlie," the award for the best looking boat, went to "The Great Danes." Team members consisted of Eric, Kristi, Erik Jr., and Leif Pedersen.

On Saturday August 12, 2006 seven teams competed in AWeSOMe's Second Annual Payette Lake Cardboard Boat Regatta. The event was held at Legacy Park Beach and raised close to \$2,000. The fundraiser greatly benefited from the support of the lead sponsor, Marletta Romero of Re/Max Mountain West.

Participants constructed their boats using only cardboard and duct tape. The winner of the 200 yard race

The winner of the "Titanic Award," for the boat with the most spectacular sinking, won by "Romero Myth Busters." The boat was built and paddled by Patrick and Billy Romero.

Fundraising

Millar Rustic Backyard Theater

On July 2, 2006, the family of Stephanie, Roger, Madeline, and Tripper Millar hosted a double feature (The Lost People of Mountain Village and Scrapple), as a fundraiser for AWeSOMe. The event raised \$70 and gathered lots of great outdoor sporting equipment for the program.
